

**BE PART OF THE TEAM THAT
BRINGS THE WORLD TOGETHER.**

**Employment Opportunity: GIS/CAD Technician
(1 Year Term)**

Want to work in an exciting environment with some of the most talented people in Canada? Join our team and connect with your potential.

Port Metro Vancouver is Canada's largest and most diversified port, stretching along 600 kilometres of shoreline and waterways and bordering on 16 municipalities. The port plays a vital role in importing and exporting products our communities use everyday, annually trading \$75 billion in goods with more than 130 trading economies.

Our Engineering Team is seeking an enthusiastic GIS/CAD Technician to provide a variety of services related to planning, construction and maintenance of infrastructure, including computerized drafting, GIS, LIS, records maintenance, plotting, scanning and research. In this role, you will:

- Prepare a wide variety of plans, including preliminary design, tender, site, as-built, lease, licence, orthophoto and display plans from a wide variety of source material. Revise PMV mapping as required.
- Prepare, collect and input data for various PMV systems, including GIS, LIS and Computerized Maintenance Management System (CMMS). Participate in the regular updating and reconciliation of land and asset inventories.
- Modify CAD files received from others to meet PMV digital storage requirements and ensure that as-built drawings of all facilities and structures built on PMV property are received and recorded. Maintain the Corporate Plan Registry and keep the electronic index files up-to-date.
- Assist with ongoing maintenance and development of the GIS and its applications.
- Carry out research related to historical records.

- Assist with the organization and maintenance of electronic and hard copy drawings and records related to Port infrastructure as required.
- Assist with site surveys, dredging volume calculations and measurements as required.

As the ideal candidate, you have a technical diploma along with a minimum of 1 ½ years of related civil engineering drafting and/or GIS experience using AutoDesk Map and ESRI ArcGIS software. Your previous legal survey work experience will be considered an asset. You are a customer-oriented individual who enjoys working in a team environment. Your positive attitude, flexibility and strong work ethic will be valued in this role.

Port Metro Vancouver offers a competitive compensation and benefits package including an Earned Time Off program.

If we have accurately captured your profile above, please forward a resume and cover letter, in confidence, by **January 22, 2010** to:

Human Resources Department
Port Metro Vancouver
100 The Pointe
999 Canada Place
Vancouver, BC V6C 3T4

Fax: 1-866-284-4272
Email: human_res@portmetrovancover.com

(Please note that this posting will remain active until the position is filled.)

Port Metro Vancouver is dedicated to employment equity and a workplace reflective of the diversity of our community.
