

Create the city of tomorrow, today.

ENGINEERING CAREERS

The City of Surrey is a place of innovative transformation and accelerated growth—where the future is limitless and possibilities are endless. If you are excited about helping to build the city of tomorrow—and you share our values of integrity, service, teamwork, innovation and community—join us, today.

GIS Specialist 1 (1-Year Term)

Do you want to work with an innovative and award winning team? Do you thrive in a fast paced, dynamic, and fun environment? Our GIS team is looking to add you as a key member. If you share the same passion and are interested in a career that offers challenge and growth, we encourage you to keep reading.

- Using your GIS knowledge and skills, you will maintain spatial and attribute information relating to the City's engineering infrastructure assets which includes initial data entry, review, revision, and quality control. In addition you will design and create harmaps, plans, drawings, presentation material, documents, databases and other digital products, as well as, communicate problems and identify deficiencies and suggest solutions to data related issues.
- Your strong customer service skills will aid you greatly as you respond to inquiries and requests from internal and external stakeholders.
- You feel comfortable wearing multiple hats and switch gears to changing priorities.
- You embrace new opportunities for growth and thrive working within a multidisciplinary team environment.

Qualified applicants will have:

- Completed a Bachelor's Degree in an acceptable related discipline from a recognized post-secondary institution, plus 1 year of directly related and relevant experience. **OR**
- Completed of Diploma in an acceptable related discipline from a recognized post-secondary institution, plus 3 years of directly related and relevant experience. **OR**
- Completed technical courses in the field, plus 5 years of directly related and relevant experience.
- Experience in a municipal setting is considered a strong asset.

We offer a dynamic work environment and excellent opportunities to advance.
