

GIS Specialist (Engineering)

Regular Full-Time

Bring your expertise and skills to help advance GIS at the City.

The City of Coquitlam is the six largest city in B.C. with home to more than 141,000 residents. The rapid rate of urban growth and development in our municipality has resulted in the need for a GIS Specialist to support the effective planning, management and replacement of the City's infrastructure.

Bring your passion, training and experience to this exciting opportunity. You will be joining a team responsible for the assembly and management of a variety of municipal datasets and in the provision of GIS technical support and analysis essential for Infrastructure Planning, Transportation Planning, Public Works and Environmental Management.

We are looking for a skilled and highly motivated GIS professional to join our Engineering & Public Works Department. Your expertise, experience and a proven ability for problem-solving will enable you to work on projects of varying levels of complexity including:

- Performing complex geospatial data analysis and mapping.
- Providing GIS technical support and assist end users with GIS technical issues and questions.
- Maintain familiarity with GIS trends and the application and integration of complementary software and tools.
- Performing data integration between GIS and related systems and formats.
- Being a project lead on a variety of GIS data and technology development projects.

If you're passionate about GIS and are excited about applying your knowledge and experience we would like you to bring your expertise to help advance GIS at the City of Coquitlam. Your thorough knowledge of GIS software and applications is ideally demonstrated by having a diploma or advanced diploma in GIS, and five or more years of experience.

Applicants under consideration must possess a valid Driver's License. The City of Coquitlam is offering an hourly rate of \$35.74 - \$42.20. In addition to comprehensive benefits, you can anticipate a lively, fast-paced environment, a compressed work week, plus opportunities for personal and professional growth.

Please apply on-line at www.coquitlam.ca/jobs by 5:00 pm Monday, January 29, 2018.

***We thank all applicants for their interest; however, only those selected for an interview will be contacted.
