

## Esri Canada Corporate Profile

Founded in 1984, Esri Canada provides enterprise geographic information system (GIS) solutions that empower businesses, governments and educational institutions to make timely, informed and mission-critical decisions by leveraging the power of geography. The company distributes the world's leading GIS software from Esri, Telvent, Cityworks – Azteca Systems, Inc. and other technology partners.

Esri Canada provides flexible and scalable solutions that are tailored to organizations' individual requirements. These solutions are interoperable and designed to interface with existing databases, networks and enterprise resource planning systems. Over 10,000 customers across various industries use GIS to gain unprecedented insight and knowledge about their assets and workflows.

Headquartered in Toronto, the company serves customers from 16 regional offices across Canada and has been named as one of the top 250 Canadian IT companies and top 25 IT professional services providers in Canada by the Branham Group.
