## Ministry of Forests, Lands, Natural Resource Operations and Rural Development Kamloops

### GIS Technician

**\$56,032.51 - \$63,565.27 annually**

BC Timber Sales manages about 20 per cent of the province's allowable annual cut for Crown timber, generating economic prosperity for British Columbians through the safe, sustainable development and auction of Crown timber.

BC Timber Sales also supports government's commitment to true, lasting reconciliation with First Nations in BC as we move toward fully adopting and implementing the United Nations Declaration on the Rights of Indigenous Peoples and the Calls to Action of the Truth and Reconciliation Commission.

The GIS Mapping Technician creates digital, graphic and descriptive products to support resource planning through the use of GIS. The GIS Mapping Technician supports planning and operational initiatives through data input, manipulation, and quality control as well as map production and generation of associated reports for GIS analysis to provide insight into resource management.
