

Where ideas work

**Ministry of Forests
Prince George**

**GIS Mapping Technician
\$56,032.51 - \$63,565.27 annually**

BC Timber Sales (BCTS) manages about 20 per cent of the province's allowable annual cut for Crown timber, generating economic prosperity for British Columbians through the safe, sustainable development and auction of Crown timber. BCTS operates in 33 communities and directly supports over 8,000 jobs across B.C.

To find out more about our program check out [the BCTS website](#).

As the GIS Mapping Technician, you will create digital, graphic and descriptive products to support resource planning through the use of GIS. You will also support the planning and operational initiatives through data input, manipulation, and quality control as well as map production and generation of associated reports for GIS analysis to provide insight into resource management.
