Ministry of Forests

Multiple locations

We currently have a temporary opportunity until June 30, 2023. A permanent appointment may result from this temporary appointment.

GIS Analyst

\$63,446.31 - \$72,142.65 annually

A multi-faceted role in an advanced technical environment

BC Timber Sales (BCTS) manages about 20 percent of the province's allowable annual cut for Crown timber, generating economic prosperity for British Columbians through the safe, sustainable development and auction of Crown timber. BCTS operates in 33 communities and directly supports over 8,000 jobs across BC.

The GIS Analyst works in the Northern GIS Service Centre and conducts advanced spatial data analysis for the five northern business areas supporting program and management decision-making on resource planning, land management and other program issues.

The BC Public Service is committed to creating a [diverse workplace](#) to represent the population we serve and to better meet the needs of our citizens. Consider joining our team and being part of an innovative, inclusive and rewarding workplace.

For information about the Indigenous Applicant Advisory Service please visit: [Indigenous Applicant Advisory Service - Province of British Columbia \(gov.bc.ca\)](#)
