

Where ideas work

Ministry of Forests
Chilliwack, Powell River, Squamish, Surrey (Hybrid)

There are currently 2 temporary opportunities available until March 31, 2024, which may be extended or become permanent. Flexible work options are available; this position may be able to work up to 2 days at home per week subject to an approved telework agreement. This position is also posted as a STO under REQ [103013](#).

Licensed Authorizations Officer
\$67,931.58 - \$86,624.56 annually

The Ministry of Forests is mandated to manage specified Crown land and resources in a manner that embraces the government's economic, environmental and social goals.

As the Licensed Authorizations Officer, you will work in a variety of settings, provide professional advice and may make decisions regarding the allocation of resources and adjudication of resource authorizations for the Natural Resource Sector. You enjoy researching, analyzing and evaluating information for developing strategic land management plans. Allocating Crown land to ensure its best use and minimizing its effect on other values, you utilize your knowledge of resource management and superior negotiating abilities.

Qualifications for this role include:

- Bachelor's Degree in a natural resource field, geography, urban land economics, real estate law, planning or related field and one (1) year of related experience.
- Registered, or immediately eligible (within 6 months) for registration, with the British Columbia professional association as required by the specialty area. (e.g., Association of Forest Professionals, Institute of Agrologists, Association of Professional Engineers & Geoscientists).
- An equivalent combination of education and experience may be considered.

Related experience must include all of the following:

- Experience performing technical duties that support land or natural resource management.
- Experience in consulting, negotiating and resolving conflicts with stakeholders in land or natural resource management.
